

Biking: Red Springs WSA

In celebration of the 50th Anniversary of the Wilderness Act

The BLM, FS, & Cedar Creek Clothing will be sponsoring a mountain biking trip along the border of Red Springs Wilderness Study Area on November 15th for Intermediate riders! The 2-track loop route is 18 miles (28.97 kms) long with a variety of route conditions, such as flat, curvy, rolling hills with plenty of nice scenery along the route.

Sign-in starts at 9 a.m.

The guided bike ride will begin around 9:30 a.m. A shuttle will follow the riders to pick up bikes and bikers that need a lift. Water and refreshments will be provided along the way.

Plan on having a great ride without having to race to the end. Before you leave please let us know how challenging this was for you and how we might improve it for the next mountain bike ride we sponsor.

We are always looking for volunteers and sponsors for these events so please let us know if you want to help.

Directions: Take SR 228 South towards Jiggs
Turn onto the road going to South Fork Reservoir
Go past the Reservoir and turn right across the causeway
Go north around the Reservoir toward Lucky Nugget
Then onto Dixie Creek Road
Follow it to the bike ride Start/Finish line
There will be signs along the way from the causeway
